

they be tireless in their desire for the salvation of souls. Safeguard them from the vices of laziness and mediocrity. Give them a steadfast spirit that settles only for the glory of Your Church and the sanctification of Your people.

**Our Father...**  
**10 Hail Marys ...**  
**Glory Be...**

### 4th Luminous Mystery *The Transfiguration*

**Celebrant:** The grace of this decade is an increase in the virtue of courage and perseverance among those called to ordained and consecrated life.

**Reflection:** Lord Jesus, with dauntless courage and unyielding perseverance you embraced Your cross and took it to Calvary disregarding Your own welfare, seeking only the salvation of Your people. Give the same courage and perseverance to Your ordained and consecrated servants. May they never succumb to cowardice or be conquered by their own frailty. Rather, may they find confidence in Your awe-inspiring love and preach the truth of the Gospel with unwavering conviction.

**Our Father...**  
**10 Hail Marys ...**  
**Glory Be...**

### 5th Luminous Mystery *The Institution of the Most Holy Eucharist at the Last Supper*

**Celebrant:** The grace of this decade is an increase in Eucharistic devotion within the hearts of ordained and consecrated persons.

**Reflection:** Lord Jesus, there is no greater gift You have given us than Your body, blood, soul and divinity in the Holy Eucharist. This sacrament is the source and summit of our Catholic faith. May it also be the center of life for all those ordained and consecrated to Your service. Give us holy priests who celebrate the Mass with reverence, obedience and piety. Deacons who serve at the table of the Lord with pure hearts and respectful disposition. Religious who contemplate Your face in the Eucharist with vigilant spirits. May all those You are calling to a vocation of service in the Church be leaders in the faith who guide us in Eucharistic devotion by their own examples of prayerful adoration.

**Our Father...**  
**10 Hail Marys ...**  
**Glory Be...**

**Hail Holy Queen**
