## Catholic Social Teaching

### Thank you from Haitian Teachers

Our Haitian school teachers send thanks for SMM's ongoing support helping them improve their classroom skills. This month 33 teachers from 4 schools had training about a two-day nutrition curriculum developed by a SMM dietitian for use in rural Haiti. The workshop included video instruction to teach a first day of "My Plate" education and a second day about "Farm to Table." Sets of books, games and other materials were provided for each school & the teachers had a virtual Q&A with the SMM dietitian. Thank you!
