

Our Lady of the Assumption Church

Parish Life Center at Our Lady of the Assumption

St. Luke's Chapel

Our Lady of Mercy School

A newly built six classroom school sits atop a mountain, adjacent to Our Lady of Mercy Chapel.

Administrative Office, Conference Room, & Storage

Food Staples Warehouses

The parish now operates a wholesale staples project at OLA partnering with local market vendors; a warehouse is now under construction at OLM. The OLA project includes a function room & retail component.

Often substantial road improvement work to bring in supplies for construction projects is needed & retaining walls are built because of hilly terrain.

Many hours of labor are provided by local community members.
