Dear Mr. Lindeman:

On behalf of everyone at Welbourne Avenue Nursery and Kindergarten, I want to extend our deepest gratitude to you and the congregation of St. Margaret Mary Catholic Church for your incredibly generous donation of **\$3,000** to our tuition scholarship program.

Your support makes a meaningful difference in the lives of our students and families. Because of your generosity, children who might not otherwise have access to a high-quality early education are given the opportunity to learn, grow, and thrive in a nurturing environment.

I would love to share a recent success story that beautifully illustrates the impact of your gift.

One of our scholarship recipients, a bright and curious four-year-old named Jordan\*, came to Welbourne this year with limited preschool experience and some early speech delays. Thanks to the supportive learning environment and our dedicated teaching staff, Jordan is blossoming socially and academically. He now greets his teachers confidently each morning, eagerly participates in classroom activities, and has made tremendous strides in his communication skills. His grandmother recently shared with us how much peace and pride she feels watching her grandson flourish, something she once feared might not be possible due to the family's financial hardship.

It is stories like Jordan's that affirm the power of your kindness. Your gift not only helps provide access to education, but it also opens doors to a brighter future for both children and their families.

We are honored to have the support of St. Margaret Mary Catholic Church and are incredibly grateful for your partnership in this mission. Please know your generosity is felt deeply and is making a lasting impact in our community.

Sincerely and God bless,  
*Latonya K. Pelt*
