Dear Senator \_\_\_\_\_,

Hunger is rising, putting children at risk. As a person of faith, I believe each child is created in the image of God and deserving of dignity & opportunity. Please make ending hunger a top priority.

I care about ending hunger because ...*[add a personal comment - or story about hunger from your family, ministry, or outreach]*

I ask you to:

- **Restore, protect, & strengthen nutrition programs** (SNAP and WIC) that help families put food on the table.
- **Fully fund global food programs** that promote human flourishing and help keep America safe, strong, and prosperous (including Food for Peace, McGovern-Dole International Food for Education and Child Nutrition, & Feed the Future).
- **Pass a strong, bipartisan Farm Bill** that supports farmers, strengthens communities and helps end hunger.

Hunger is not inevitable. It reflects our priorities and policy choices. Cuts to SNAP put millions at risk and we can do better.

When the disciples ask Jesus to send a hungry crowd away, he replied, "You give them something to eat." (Matt.14:16) Today, that call comes to us and we must act by prioritizing funding to help end hunger.

Sincerely,
